

AEROTEL

The World's Largest Chain of In-terminal Airport Hotels

A member of Plaza Premium Group

Introducing Aerotel

AEROTEL

Designed by travellers for travellers, Aerotel is a one-of-a-kind airport hotel concept that offers convenient, comfortable stay and a better way to sleep at the airport. Serving as your oasis between flights, we provide a welcoming space to relax, recharge, and refresh before your onward journey.

Enjoy flexible hourly bookings, thoughtfully designed rooms, and a range of stylish facilities and services—all the comforts of home, right at the airport.

Welcome to Aerotel – Your Pre-flight Oasis.

Check-in the night before
for an early flight

Stay the night after landing
from a late night flight

Find a private
space in transit
while waiting for
your onward flight

Relax although the
flight is delayed or
cancelled

AEROTEL
AIRPORT TRANSIT HOTEL

The World's Largest Chain of In-Terminal Airport Hotels

Aerotel is located inside major international airports, offering travellers the convenience of staying either airside (restricted area) or landside (public access).

With 11 global locations—including recent openings in Shanghai and Madrid—Aerotel continues to grow. The upcoming launch of Aerotel Muscat (landside) will mark our second property in Oman.

What Travellers Love About Us

Right At The Airport

Aerotel is a stone's throw away from the gate, located **either in departure or arrival areas, or in transit.** Travellers can use Aerotel to sleep or nap at the airport, or even enjoy a massage and dine.

Flexible Hourly Booking

To offer convenience to different travellers' needs, Aerotel allows booking on an hourly basis so that travellers can use Aerotel for as many or for as little number of hours required, and not more! Travellers can **choose their check-in and check-out time, as they wish.**

AEROTEL

Sleep at Departure or Arrival Area

Whether taking off early or landing from a late night flight, **Aerotel Airport Hotel** makes the airport a home-away-home for travellers, providing a safe, comfortable and convenient place to get **quality sleep** before continuing the journey.

Sleep at Transit Area

(Airport Restricted Area)

Flights delayed or cancelled? This scenario can be frustrating especially if there is uncertainty surrounding it. **Aerotel Airport Transit Hotel** provides a place to sleep in, and makes sure the free time at the airport transit area is much better than imagined.

Hard

”

Aerotel's tip:
Pillow menu is
made available for
a better sleep.

”

Refreshing Shower & Wellness

Time for relaxation?
Aerotel provides powerful showers
and full amenities to help you
refresh before your journey.

Looking for an extra something?
Rejuvenating services like foot
reflexology and seated massage can
refresh travellers before departure.

Note: Services may vary by locations.
Find out more at myaerotel.com.

”

Aerotel's tip:

Dry air in aircraft cabins means dehydrated skin after your flight? Not to fret, a selection of natural skincare products with botanical extracts provided in Aerotel can make travellers' skin glow.

”

AEROTEL

Food & Beverage

Tuck into a hearty meal or
grab light refreshments
anytime at The Hub,
our all-day dining venue.

“

...at check out, we were treated with
breakfast (surprisingly ready even at 4 in
the morning) and we were so thankful to
all friendly staff...

”

*Tripadvisor review written by family travellers
who stayed at Aerotel Kuala Lumpur.*

Co-working Space

Ideal meeting venue
for business travellers
at the airport.

Fitness Corner

Continue a gym routine even while on-the-go.

“

...Best decision we ever made. Pleasant staff, crisp white sheets, silence, good sleep and a meal, gym and swimming pool included.

Would stay again. ”

Tripadvisor review written by couple travellers who stayed at Aerotel Singapore.

Library Lounge

Enjoy a peaceful read or connect with like-minded travellers.

Swimming Pool

Sip on a piña colada and soak up the sun while planes are taking off overhead.
